

Dear Families,

We are so excited for book clubs! This is a time when your student gets to pair up with other students and read a book together. In order to do this, we need a little help from you. Your student has a book that is \_\_\_\_ pages long. We will have 13 meetings to complete the book. This means that your student will need to read \_\_\_\_ pages between each meeting and fill out their ticket in order to participate and add to their group's discussion. We meet for book clubs on Monday and Wednesday. Thank you so much for supporting this fun activity in our classroom!

Sincerely,

Mrs. Glasgow
